## FUNDRAISING POLICY

### PURPOSE

To provide parents/carers and other members of our school community with an overview of Alvie Primary School's approach to fundraising.

### POLICY

Fundraising can be a vital way for schools to raise money to deliver additional learning opportunities, programs for students, or to improve school amenities.

School staff, members of the school community or Parents & Friends may want to undertake fundraising activities for Alvie Primary School.

Alvie Primary School encourages members of our school community to be involved in fundraising initiatives and school council welcomes all proposals for fundraising.

Fundraising is a function of the school council and council must approve all fundraising events or activities on behalf of our school.

At the beginning of each school year, the school council will approve any fundraising events or activities for the upcoming year. If it is necessary during the year, the school council may approve additional fundraising events or activities.

In deciding whether to approve fundraising events or activities, the school council will act in accordance with legal requirements, any relevant Department of Education and Training policy or guideline, and the Department's *Finance Manual for Victorian Government Schools*.

All money raised through fundraising, unless legally otherwise provided for, will be held on trust by the school council for the general or particular purpose for which it was raised.

### **Fundraising for Charitable Causes**

Alvie Primary School, through the school council, may also decide to fundraise for charitable causes. In deciding whether to fundraise for a particular charitable cause, school council may:

- Consider whether the methods used to raise funds for any specific charitable appeal are appropriate
- Seek written advice from organisations promoting fundraising activities on the percentage of funds raised that are directed to the named charity
